

Friday, Nov. 9, 2018

529 Walker Building

Noon to 3 p.m.

Climate Change Workshop

1. A **crash course** on the science of climate change and how humans are influencing it
2. **Q&A** with an **expert panel**, with distinguished faculty members Dr. Richard Alley, Dr. Andrew Carleton, Dr. Michael Mann, and Dr. Janet Swim
3. Conversational activity to **practice** communicating the science of climate change

**Free!
Food!
Resources!
Prizes!**

No previous experience required—just a desire to learn and be a science advocate
